

OSAKA MAGNETIC LIGHTING

JB26 48V Series | Product Range Summary

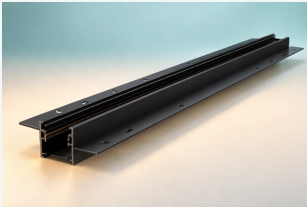

Prepared by The Star Traders from the supplied October 2026 range sheet. Product illustrations are representative. Model-specific details should be confirmed before specification or installation.

Osaka JB26-A Ultra-Thin Surface Magnetic Track 3m

Product type: Magnetic lighting track
System voltage: 48V DC
Model: JB26-A
Length: 3m
Mounting / form factor: Surface mounted
Finish: Black
Application: Indoor magnetic-track lighting

Osaka JB26-D Recessed Magnetic Track 3m

Product type: Magnetic lighting track
System voltage: 48V DC
Model: JB26-D
Length: 3m
Mounting / form factor: Recessed / concealed
Finish: Black
Application: Indoor magnetic-track lighting

Osaka JB26-100W Magnetic Track Driver

Product type: LED driver
System voltage: 48V DC
Model: JB26-100W
Rated output: 100W
Input voltage: 220V AC
Output voltage: 48V DC
Dimensions (L x W x H): 210 x 26 x 24 mm
Finish: Black

Osaka JB26-200W Magnetic Track Driver

Product type: LED driver
System voltage: 48V DC
Model: JB26-200W
Rated output: 200W
Input voltage: 220V AC
Output voltage: 48V DC
Dimensions (L x W x H): 230 x 26 x 24 mm
Finish: Black

Osaka JB26-RJ Power Connection Lead

Product type: Magnetic track accessory
System voltage: 48V DC
Model: JB26-RJ
Connection format: Power Connection Lead
Finish: Black
Dimensions (L × W × H): 290 x 26 x 15 mm
Application: Indoor magnetic-track lighting

Osaka JB26-A-LV Vertical 90° Connector

Product type: Magnetic track accessory
System voltage: 48V DC
Model: JB26-A-LV
Connection format: Vertical 90 degrees Connector
Finish: Black
Application: Indoor magnetic-track lighting

Osaka JB26-A-I Straight Connector

Product type: Magnetic track accessory
System voltage: 48V DC
Model: JB26-A-I
Connection format: Straight Connector
Finish: Black
Dimensions (L × W × H): 46 x 26 x 6 mm
Application: Indoor magnetic-track lighting

Osaka JB26-A-L Horizontal L Connector

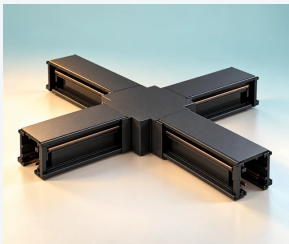

Product type: Magnetic track accessory
System voltage: 48V DC
Model: JB26-A-L
Connection format: Horizontal L Connector
Finish: Black
Dimensions (L × W × H): 36 x 36 x 6 mm
Application: Indoor magnetic-track lighting

Osaka JB26-A-T T Connector

Product type: Magnetic track accessory
System voltage: 48V DC
Model: JB26-A-T
Connection format: T Connector
Finish: Black
Dimensions (L × W × H): 46 x 36 x 6 mm
Application: Indoor magnetic-track lighting

Osaka JB26-A-+ Cross Connector

Product type: Magnetic track accessory
System voltage: 48V DC
Model: JB26-A-+
Connection format: Cross Connector
Finish: Black
Dimensions (L × W × H): 46 x 46 x 6 mm
Application: Indoor magnetic-track lighting

Osaka JB26-D-L Recessed Corner Connector

Product type: Magnetic track accessory
System voltage: 48V DC
Model: JB26-D-L
Connection format: Recessed Corner Connector
Finish: Black
Dimensions (L × W × H): 100 x 100 x 36 mm
Application: Indoor magnetic-track lighting

Osaka JB26-12F Linear Diffused Light 12W 4000K

Product type: Linear diffused magnetic light
System voltage: 48V DC
Model: JB26-12F
Wattage: 12W
Colour temperature: 4000K
CRI: >80
Mounting / form factor: JB26 magnetic track
Dimensions: 300 x 26 x 24 mm
Application: Indoor magnetic-track lighting

Osaka JB26-24F Linear Diffused Light 24W 4000K

Product type: Linear diffused magnetic light
System voltage: 48V DC
Model: JB26-24F
Wattage: 24W
Colour temperature: 4000K
CRI: >80
Mounting / form factor: JB26 magnetic track
Dimensions: 600 x 26 x 24 mm
Application: Indoor magnetic-track lighting

Osaka JB26-12T Linear Spotlight 12W 4000K

Product type: Linear magnetic spotlight
System voltage: 48V DC
Model: JB26-12T
Wattage: 12W
Colour temperature: 4000K
CRI: >80
Mounting / form factor: JB26 magnetic track
Dimensions: 220.3 x 26 x 24 mm
Application: Indoor magnetic-track lighting

Osaka JB26-18T Linear Spotlight 18W 4000K

Product type: Linear magnetic spotlight
System voltage: 48V DC
Model: JB26-18T
Wattage: 18W
Colour temperature: 4000K
CRI: >80
Mounting / form factor: JB26 magnetic track
Application: Indoor magnetic-track lighting

Osaka JB26 Folding Linear Diffused Light 12W 4000K

Product type: Adjustable folding magnetic light
System voltage: 48V DC
Wattage: 12W
Colour temperature: 4000K
CRI: >80
Mounting / form factor: JB26 magnetic track
Dimensions: 220.9 x 26 x 45 mm
Application: Indoor magnetic-track lighting

Osaka JB26 Folding Grille Spotlight 12W 4000K

Product type: Adjustable folding magnetic spotlight
System voltage: 48V DC
Wattage: 12W
Colour temperature: 4000K
CRI: >80
Mounting / form factor: JB26 magnetic track
Dimensions: 220.9 x 26 x 45 mm
Application: Indoor magnetic-track lighting

Osaka JB26 Folding Linear Diffused Light 18W 4000K

Product type: Adjustable folding magnetic light
System voltage: 48V DC
Wattage: 18W
Colour temperature: 4000K
CRI: >80
Mounting / form factor: JB26 magnetic track
Dimensions: 330.1 x 26 x 45 mm
Application: Indoor magnetic-track lighting

Osaka JB26 Folding Grille Spotlight 18W 4000K

Product type: Adjustable folding magnetic spotlight
System voltage: 48V DC
Wattage: 18W
Colour temperature: 4000K
CRI: >80
Mounting / form factor: JB26 magnetic track
Dimensions: 330.1 x 26 x 45 mm
Application: Indoor magnetic-track lighting

Osaka JB26-TR7 Adjustable Track Spotlight 7W 4000K

Product type: Magnetic track spotlight
System voltage: 48V DC
Model: JB26-TR7
Wattage: 7W
Colour temperature: 4000K
CRI: >80
Mounting / form factor: JB26 magnetic track
Dimensions: 45 x 100 mm
Application: Indoor magnetic-track lighting

Osaka JB26-TR12 Adjustable Track Spotlight 12W 4000K

Product type: Magnetic track spotlight
System voltage: 48V DC
Model: JB26-TR12
Wattage: 12W
Colour temperature: 4000K
CRI: >80
Mounting / form factor: JB26 magnetic track
Dimensions: 55 x 100 mm
Application: Indoor magnetic-track lighting

Osaka JB26-TR20 Adjustable Track Spotlight 20W 4000K

Product type: Magnetic track spotlight
System voltage: 48V DC
Model: JB26-TR20
Wattage: 20W
Colour temperature: 4000K
CRI: >80
Mounting / form factor: JB26 magnetic track
Dimensions: 65 x 115 mm
Application: Indoor magnetic-track lighting

Osaka JB26-D10 Suspended Cylinder Light 10W 4000K

Product type: Magnetic pendant light
System voltage: 48V DC
Model: JB26-D10
Wattage: 10W
Colour temperature: 4000K
CRI: >80
Mounting / form factor: JB26 magnetic track
Dimensions: 40 x 300 mm
Application: Indoor magnetic-track lighting

Osaka JB26 Magnetic Track Speaker 20W

Product type: Magnetic track speaker
System voltage: 48V DC
Listed power: 20W
Dimensions: Diameter 70 mm x length 104 mm
Mounting / form factor: Magnetic track
